

DIGITAL ORDER CONFIRMATION (DOC)

With the digital order confirmation, you can significantly reduce your process costs for the order confirmation process. Due to an automation of the process, you reduce your effort to a minimum. At the same time, you optimize your supplier brand by providing a simple way for your supplier to confirm your orders.

- **PURCHASE ORDER RELEASED**
- **SUPPLIER RECEIVES PO**
- **OPEN ORDER CONFIRMATION DOC INTERFACE**

- **DIRECT CONFIRMATION AND PUSH IN YOUR SAP SYSTEM**

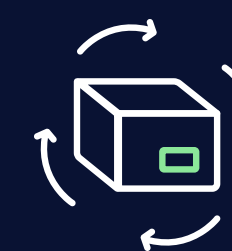

OUR CLOUD SOLUTION

Advantages of DOC

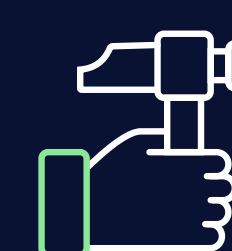

- || Digitization of Order Confirmation process
- || Save time and effort for your company and your suppliers
- || Easy to use - no user management required for suppliers
- || Provides a customer grade user experience, hence no extra effort required for training
- || Runs on your SAP ECC as well as your SAP S/4 HANA system

Increase productivity

Simplify order confirmation process for your suppliers

Reduce manual effort
